A CONVERSATION WITH...

PROFESSOR ULRICH HARTL

DIRECTOR, MAX PLANCK INSTITUTE OF CELLULAR BIOCHEMISTRY
Renowned German biochemist Professor Ulrich Hartl will discuss his distinguished career and pioneering work in the field of medical research with the University of Wollongong’s Dr Justin Yerbury and Associate Professor Heath Ecroyd.

COME JOIN THE CONVERSATION

WHEN: Tuesday, November 4
TIME: 10.30am-11.30am
WHERE: SMART Foyer, Building 6, Main Campus
RSVP: globalchallenges@uow.edu.au

The Global Challenges Program is hosting a new series aimed at engaging with renowned academics and introducing their work to a wider audience.

‘A CONVERSATION WITH’ will enable people from across the University to meet experts, ask questions, and find out more about their work in a relaxed setting.
